

The VAT House

Since 1985,
VAT is our
core business.

Over the years, we have become the leading authority on all Value Added Tax issues for companies conducting business abroad, especially in Europe. Our head office, located in Doetinchem/The Netherlands, is where most of our VAT activities are carried out. Working with us means that you benefit from our qualified fiscal and legal staff, who are also fluent in most major languages. This guarantees that your file can be completed cost effectively, swiftly and with great results. Retourtax is a member of two coordinating VAT associations: International VAT Association (IVA) & VAT Forum.

Our Services:

European VAT refund office RETOURTAX: VAT reclaim service on a contingency basis.

After receipt and study of your VAT sensitive original invoices, we will determine the best course of action to take. We will outline all documents and signatures required to submit claims to the concerned foreign tax authorities. Before handing in the documents you will receive a written confirmation of amount(-s) being claimed. Our fee for VAT refunds is only based on the actual results, if there is no refund possible, there is no charge to you.

VAT Compliance Europe: VAT declarations for all countries. For companies with taxable supplies / activities. We can also take care of the ICS and Intrastat declarations.

After receipt of a digital overview of your purchase and sales invoices we can take care of your periodical declarations. This service is billed at an attractive fixed rate. This rate also includes the standard communications with foreign tax authorities.

BTW Consult Nederland: for tailor made VAT solutions based on your companies specific activities. Furthermore, we can perform VAT audits for our clients.

Whether it is about doing business in multiple countries or through multiple corporations, finding the right VAT setup is key to sustained growth. We can conduct VAT audits to fully analyze your needs and offer clear and complete recommendations based on these findings, for an upfront and agreed upon rate.

Retourtax is VAT.

We have a global setup to help your company with every possible VAT related matter. You can always contact us without any obligation. Our way of working is very transparent. To start, your specific situation will be assessed. You will then receive an offer for our services. We can also guarantee that we will provide you with the best possible result. Outsourcing VAT with us pays off.
